Arrive

A new solution to event check-in & badge printing

MARVEL
EVENTS

Pre-printing badges is so 1999!

Setting up and managing attendee registration and check-in has never been this easy. Marvel Arrive eliminates historical headaches like pre-printing badges, long registration lines, getting clients critical attendance metrics and figuring out how to enroll walk-ins.
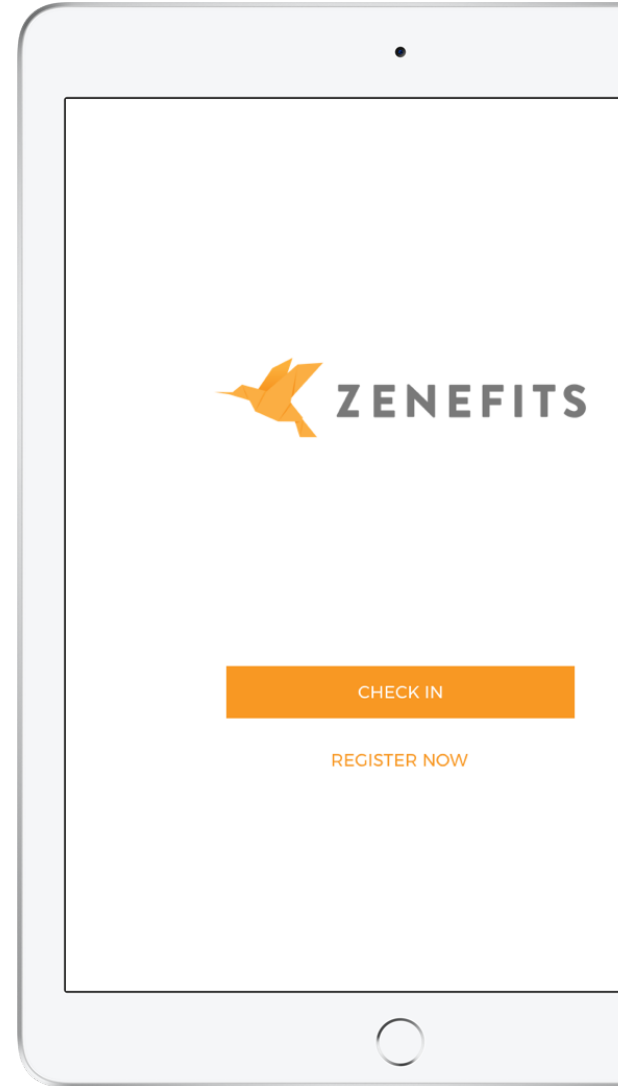

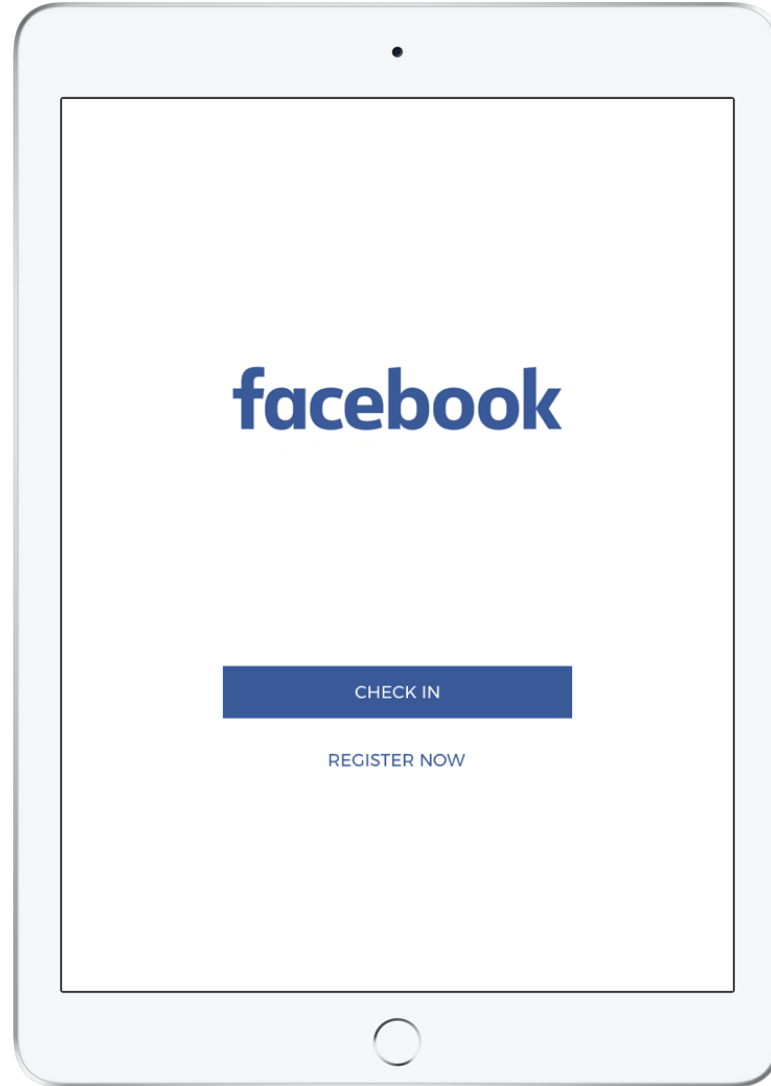

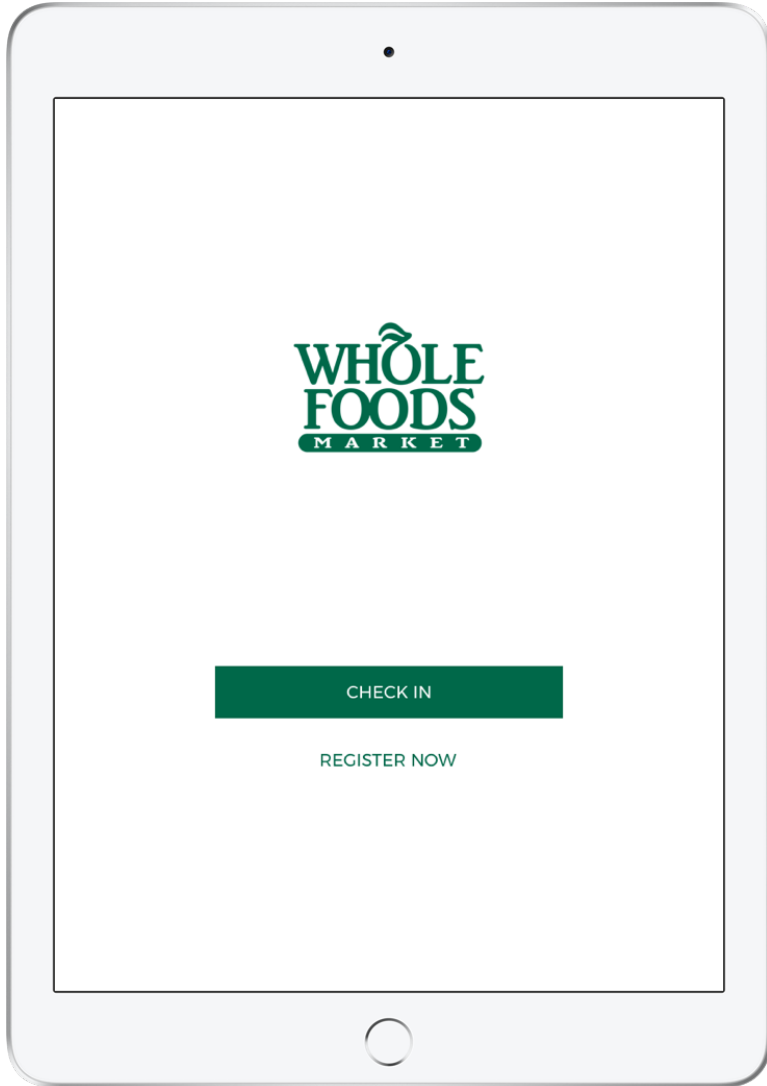

Built by a group of experienced event producers & software engineers, Marvel Arrive was designed from the ground up to satisfy the needs of planners like you!
